We Care – Pediatric Workshop at Muljibhai Patel Urological Hospital

“MPUH – CRS located at Nadiad, India, is going to organize a workshop “We Care” which will be focused on Pediatric Surgeries from 21st to 23rd November.”

Muljibhai Patel Urological Hospital (MPUH) – Centre For Robotic Surgery (CRS), Nadiad, India, is going to organize a workshop “We Care” which will be focused on Pediatric Surgeries from 21st to 23rd November, 2013 from 0800 HRS to 1900 HRS (IST) at Jayaramdas Patel Academic Centre, MPUH, Nadiad. The detailed schedule is available on the website of Centre for Robotic Surgery on this link: <http://centreforroboticsurgery.com/jpac-team/events-at-jpac.html>

Dr. Shriram S Joshi and Dr. R B Sabnis are the course director for this entire workshop. Many international and national faculties will share their knowledge about Pediatric Urology. Some of our esteemed international faculties are: 1) Prof. Ramnath Subramaniam, HOD, Pediatric Urology Unit, St James Teaching Hospital, Leeds 2) Prof. Piet Hoebeke Pediatric Urology Unit Chief Belgium 3) Prof Henning Olsen from Aarhus University, Denmark. Some of the esteemed Indian faculties are: Prof. Hemant Patak, Prof. M. S. Ansari & Dr. Mallikarjuna Reddy – all of whom are especially interested in pediatric urology, Hypospadias & Laparoscopic Surgery in pediatrics. Dr. Mahesh Desai, medical director and managing trustee of MPUH, Dr. Arvind Ganpule and Dr. Shashikant Mishra from MPUH will also share their experience on Pediatric Urology.

The problems will be discussed both theoretically as well during surgery. Topics to be discussed are:

- 1) VUR – deflux injection & surgical approach, Lap/Robotic.
- 2) Robotic pediatric urology surgery including pyeloplasty and other surgeries
- 3) Hypospadias
- 4) Epispadias
- 5) Surgery for disorders of sexual development. List appears big but will depend on availability of cases & time but maximum amount of cases/possible will be demonstrated.
- 6) Micro PCNL in pediatrics.

An interesting session in the afternoon after morning short lecture & surgery, will be an interactive session on difficult cases in management in Pediatric Urology is also organized.

This type of workshop provides great opportunities for the young and upcoming Urologists to learn from experts in the field and apprise themselves of the latest developments in the field of urology.

MPUH encourages patients as well to watch this workshop live. This will be helpful for them in many extent. The viewers can ask relevant questions during the webcast by emailing on jpac@mpuh.org. The important questions will be discussed concurrently during the session.

The entire workshop will be webcasted through this link:

<http://centreforroboticsurgery.com/video/live-surgery.html> directly from the operation theatres and conference hall.

ABOUT “CENTRE FOR ROBOTIC SURGERY”

Center for Robotic Surgery (CRS) is the Super Specialty Urological Hospital. It is an initiative of Muljibhai Patel Urological Hospital (MPUH), popularly known as 'Nadiad Kidney Hospital' or just 'Nadiad Kidney'. We are the first hospital in India devoted entirely to Nephrology and Urology.

MPUH-CRS is started with the vision to provide the best facility with advance technology to fulfill patient's need of minimal hospital stay and also reduce the morbidity rate. Our motto "Every life deserves the world class care" and, we provide the best treatment with top class technology.

Dr. Mahesh Desai is the Medical Director & Managing Trustee of MPUH - CRS. He is also a Director of JPAC, a world class center of academic excellence for Urology and Nephrology. current president of Endourology Society and immediate past president of Society International d'Urologie (SIU). Dr. Desai received several national and international awards for his services at MPUH.
